

How to Nominate Your Horse

First, you need to pick your horse's division: Trail Pleasure Lite-Shod etc.

Next choose your style of riding: English and/or Western, 2 and/or 3-gait.

In addition will there be a novice or juvenile rider? If so, you may nominate your novice or juvenile in their appropriate division. Please keep in mind the classes you pick must have the same title as the division nominated. If you are not sure which classes your horse or riders will be showing, please nominate all possible categories.

Open shoe weight classes and specialty classes will not be counted for any divisions.

Please take note of our new Junior Horse and Spotted Saddle Horse divisions.
